An Eye on London!

(Optional home learning project)

Task

Make a **model of a landmark** found in London. Have a think about the materials, colours and size of your chosen landmark. Be as creative as you like!

OR

Complete some **research about a famous London** landmark. It can be a landmark that was built in the past or a modern example. You could use books, travel guides or the internet to complete your research.

Present your research in one of the following ways:

*Leaflet

*Poster

*Booklet

Please bring your home learning project into school **w/b 19th October 2026**. All home learning projects will be displayed in our classroom. We look forward to seeing your wonderful creations!
