Year 3 Home Learning Project

(optional)

Your Home Learning Project this half term is based on our context for learning, **'On the Move!'**

Task:

To research the **Stone**, **Bronze** or **Iron Age** and present what you have found in an exciting way!

You could research:

*Stonehenge

*Bronze/Iron Age houses

*How people lived during that time

Ways you could present your project:

- An **A3 poster** that can be displayed in the classroom
- A **fact file** about food, daily life, clothing, or people from the period
- A **small model** suitable for a tabletop gallery
- An **example of Bronze or Iron Age jewellery**
- A **written or typed story** based on your research

If you wish to complete this home learning project, please bring it in the week beginning Monday 2nd November.

We're looking forward to seeing your wonderful creations!

Mrs Banks, Mrs Slater, Mrs Partridge and Mrs Spink 😊
