ENGLISH

The children will be exploring the conventions of story writing with familiar endings using the chosen text 'Stone Age Boy'. They will also be exploring a range of information texts and writing their own non-chronological reports about the Stone Age. In Autumn 2, the children will be using Charlie and Chocolate Factory as inspiration for their own writing. The children will continue to develop their grammar, punctuation and spelling skills in order to write coherently.

MATHEMATICS

The children will be:

- Counting, ordering, reading and writing 3-digit numbers.
- Understanding the place value for 3-digit numbers.
- Finding 1, 10, 100 more or less than a 3-digit number.
- Focusing on the 4x and 8 x table, linking it to their knowledge of the 2x table.

RSHE

The children will recognise good manners and how to be courteous to others. They will look at personal space and why this is important. They will revise the NSPCC 'pants are private' rule. They will also be discussing and celebrating individuality.

RE

Autumn 1: Christianity Big Question: 'What is the story?

Autumn 2: Christianity Big Question: 'Why do we remember?'

D&T

Children will design and make their own pitta pockets thinking about sustainability.

On the Move!

Year 3 Autumn Term

SCIENCE

The children will:

- Compare and group together different kinds of rocks on the basis of their appearance and simple physical properties.
- Describe in simple terms how fossils are formed when things that have lived are trapped within rock.
- Recognise that soils are made from rocks and organic matter.
- Compare how things move on different surfaces.
- Observe how magnets attract or repel each other and attract some materials and not others.
- Compare and group together a variety of everyday materials on the basis of whether they are attracted to a magnet, and identify some magnetic materials.

COMPUTING - Online Safety

The children will learn about their self-image and online relationships and reputation.

PE

Games – exploring the skills and rules of team games. Learning how to use equipment safely.
Dance - exploring balances and movement using different parts of the body.

ART

Children will be developing drawing skills thinking about line, shade and tone.

HISTORY

Children will learn about prehistory, exploring the Palaeolithic, Mesolithic, and Neolithic periods, as well as the Bronze Age and Iron Age.

GEOGRAPHY

Children will be locating the UK, Great Britain and the British Isles, as well as regions and counties. They will be identifying physical features.

MUSIC

The children will learn to find the voice, singing with confidence. They will cultivate a controlled, unbroken singing tone.

FRENCH

The children will learn simple greetings and introductions. They will ask and answer questions about feelings. They will learn some colours and numbers to 10. They will learn calendar terms such as days of the week and months of the year.
