

Year 3 Home Learning Project

(optional)

Your Home Learning project this half term is based on our context for learning for next half term, '**Stones and Bones**'.

You have several weeks to complete it. **It is due in: Monday 28th October.**

Task:

To research the 'Stone Age'.

To present what you have found in an exciting way!

You could research:

*Stonehenge

*Cave art

*Cave men

There are many ways in which you can present your project to the class;
you only need to pick one:

- A Power Point presentation
- An A3 poster that can be displayed
- A model
- An example of Cave Art
- A written (or typed) story about your research

If you have any other ideas about how you would like to present your work, please ask us!

We're looking forward to seeing your wonderful research!

Miss Casali & Miss Widdowson ☺
