

Year 1 Home Learning Project (Optional)

Dear Parents/Carers,

Our context for learning for the spring term is 'Dinosaurs and Dragons'. We will be turning an area in the classroom into a dinosaur museum and it would be lovely for the children to make something for the museum as part of their home learning project. Here are a few ideas: dinosaur skeletons made from different materials, a dinosaur skeleton puzzle, fossils made from dough, an information poster about a dinosaur, a dinosaur mask, dinosaur footprints or a model dinosaur. Please feel free to use your own ideas too!

Please hand in your 'Home Learning Project' by the w/b 24th February 2020

As always, we appreciate your help and support with the projects. We are always amazed at the work and imagination that goes into these masterpieces!

Please feel free to speak to us if you have any queries.

Kind regards,

Mrs Slater and Miss Robinson
