Dear Parents/Carers

In this school we try to create an environment where everyone cares for and respects each other and where everyone can feel safe and secure. Our Golden Rule is Love One Another. We ask that parents/carers support us in this aim by showing courtesy at all times to adults and children both in and around the school premises, particularly in the following ways:

- If you have a concern, please make an appointment to see the Head Teacher or Class Teacher for a private, after school meeting.
- If you have a disagreement with another parent, please observe a courteous manner or **walk away** from any situation that could be abusive. Adults arguing in a loud or aggressive manner can cause distress to children and may cause them to feel insecure about school.
- If you are experiencing difficulties with a child who is not in your care, please discuss the problem with a Class Teacher or the Head Teacher. Do not take matters into your own hands.

In order to ensure the best possible environment for all the children's safety, anyone who finds themselves unable to co-operate with these requests will be reported to the Local Authority.

It may be ruled that the behaviour/conduct is not acceptable and that the adults concerned must not enter the school premises without prior appointment, confirmed in writing, for a set period of time.

Staff, Governors and the Local Authority take these matters very seriously. We assure you that incidents brought to our attention are followed up.

Please note that St. John's is a non-smoking site, therefore smoking (including vaporisers) is not permitted anywhere on the school grounds.

We would like to thank you for supporting us to ensure the children witness good role models of behaviour and self-control and can feel safe and secure.

Yours sincerely
