

Important information about COVID-19 safety

The school follows government advice for schools, with social distancing in place where possible. Unless carried out remotely, the seating during your interview will be at the relevant social distancing and you will be expected to wear a face covering and/or visor when in communal areas or a classroom.

The following will need to be confirmed on your arrival:

A) that you have not visited anywhere in the UK that had/s COVID-19 restrictions in place.

B) that you have not travelled to any country that requires you to be in quarantine at the time of the interview.

C) that you do not have **any** of the following symptoms:

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal.
