

Year 3 Home Learning Project

(optional)

Your Home Learning project this half term is based on our context for learning,
'On the Move!'

Task:

To research the **Bronze** or **Iron Age** and to present what you have found in an exciting way!

You could research:

- *Stonehenge
- *Bronze/Iron Age houses
- *How the people lived

There are many ways in which you can present your project to the class; you could:

- An A3 poster that can be displayed
- A small model that can be placed on a table top gallery
- An example of Bronze/Iron Age jewellery
- A written (or typed) story about your research

We're looking forward to seeing your wonderful creations!

If you wish to complete this home learning project, please bring it in the week beginning Monday 31st October.

The Year 3 Team
