

## ENGLISH

The children will be exploring the conventions of story writing with familiar endings using the chosen text 'Stone Age Boy'. The children will be writing their own non-chronological reports about Stonehenge and exploring a range of information texts. In Autumn 2, the children will be using Charlie and Chocolate Factory as inspiration for their own writing. The children will continue to develop their grammar, punctuation and spelling skills in order to write coherently.

## MATHEMATICS

The children will be:

- Counting, ordering, reading and writing 3-digit numbers.
- Understanding the place value for 3-digit numbers.
- Finding 1, 10, 100 more or less than a 3-digit number.
- Focusing on the 4 x table, linking it to their knowledge of the 2 x table.
- Learning to add and subtract numbers to 1000, crossing the hundreds boundary.

## SCIENCE - Light

The children will learn:

- To recognise that they need light in order to see things.
- To notice that light is reflected from surfaces.
- To recognise that shadows are formed
- To find patterns in the way that the size of shadows change.

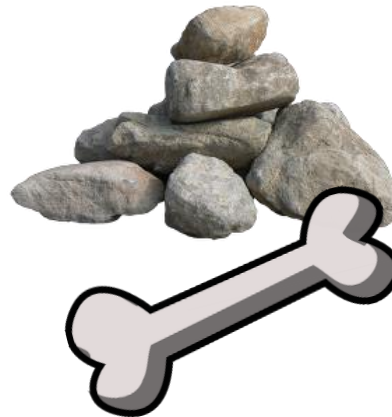

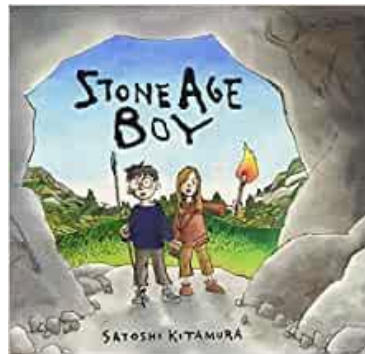

## RE

**Autumn 1:** We will be answering the question; 'How did belief in God affect the actions of people in the Old Testament?' We will explore key figures such as Daniel, Moses, Abraham and Jonah.

**Autumn 2:** We will be answering the question; 'How Do Advent and Epiphany Show Us What Christmas Is REALLY About?'

## On the Move!

## Year 3 Autumn Term

## GEOGRAPHY

The children will be looking at early settlements and land use in prehistoric times.

## RSHE

The children will recognise good manners and how to be courteous to others. They will look at personal space and why this is important. They will revise the NSPCC 'pants are private' rule.

## COMPUTING - Online Safety

The children will learn about their self-image and identity online.

## PE

Games – exploring the skills and rules of team games.  
Learning how to use equipment safely.  
Dance - Exploring balances and movement using different parts of the body.

## ART

Children will research cave art (both paintings and carvings). They will use their knowledge of the Stone Age, they will create their own story through cave art.

## D&T

As part of Food Technology, the children will design and make their own pitta pockets.

## HISTORY

Children will learn what prehistory is. They will explore the Palaeolithic, Mesolithic and Neolithic periods and look at the Bronze and Iron Age.

## MUSIC

The children will learn to find the voice, singing with confidence. They will cultivate a controlled, unbroken singing tone.

## FRENCH

The children will learn simple greetings and introductions. They will ask and answer questions about feelings. They will learn some colours and numbers to 10.
