SUMMER 2024

Saving the planet... one step at a time!

Hello!

The story so far... We began this year with a dream—a dream to be a more sustainable school. We have one member from each class from Reception to Year 6 who is the class Sustainability Champion and we meet every half term with Mrs Verrall. Our target in 2024-25 is to achieve the bronze flag for being an Eco-School, recycle more and work hard to become carbon zero by 2028.

Recycling
at St. John's

From September, we will have further recycling 'drop off' points for you to use to recycle your unwanted items. By recycling these products and raising money for our school so we can go on and use the money to make more of a difference elsewhere!

What we're
learning

Clothing
Bank

The Little Recyclers clothing bank will be located by the Spring Park Road entrance. Things that can be recycled are:

- Good quality clean clothing (adult's, children's, baby)
- Shoes (paired)
- Bags
- Hats & scarves
- Belts
- Fashion accessories
- Swimwear
- Jewellery
- Lingerie
- Perfumes

SUMMER 2024

Saving the planet... one step at a time!

Batteries

Please donate any of your used and unwanted batteries in the Octagon collection point.

Toothbrush Tuesday

Please donate any of your used (but clean) toothbrushes and electric toothbrush heads to the Octagon collection point and we will recycle them through Terracycle.

- FRIENDLY
- ECO
- GREENER
- WORLD
- RUBBISH
- WILDLIFE
- TEAM

Thank you to Mrs Glason and Grandad for all their hard work this year in our school growing area.

Thank you to the SJSA, Wickes and other kind donations from parents and carers for providing us with the tools and resources we have needed to make the Noah playground, Reception OLE and garden a more welcoming area. Well done to all of the current Sustainability Champions that have worked hard to promote being more sustainable in and around the school.

Competition

Each classroom has a recycling bin that is for paper waste. We would like you to design a poster that can be used on the recycling bins to show that they are paper waste only bins. The winning entries will receive a prize and be used around the school. Please bring entries to Llama Class (Mrs Verrall) by Friday 6th September. Good luck!
