

LANGUAGE AND LITERACY

SPEAKING & LISTENING:

Interact with others and taking turns in conversation.

Use language imaginatively in the role play area.

Learn new words to build a bigger vocabulary.

Ask relevant questions and answer appropriately in full sentences.

READING:

Read a range of familiar and common words and simple sentences.

Predict what text will be about using prior knowledge and a range of clues.

Retell stories using the correct sequence and drawing on language patterns in the book.

Develop understanding of different text types.

WRITING:

Focus on including the five elements of 'What makes a golden sentence' in our writing.

Attempt to write for different purposes - letter, list, instructions, story.

Form letters correctly using the cursive script.

UNDERSTANDING THE WORLD

HISTORY:

Understand language about time

Explore significant personal events

SCIENCE:

Discover and investigate all 5 senses

Label our key external body parts

Learn about the main bones in the human body

Consider what it would be like to lose one of our senses

INFORMATION TECHNOLOGY:

Use the class computers/tablets to develop our confidence with using a range of programmes

Who am I?

Reception Spring Term Ladybird & Llama Class

PHYSICAL DEVELOPMENT

Gymnastics

How we can use our body to stretch.

Move flexibly on a mat and in different areas of the hall.

Use our bodies to make different shapes and positions.

Consider the role of healthy eating and its effects on our body.

Think about the importance of keeping ourselves clean.

Consider the changes that come with moving to year one and how to manage feelings.

RE:

Exploring why Christians believe Jesus is special and who is special to us.

MATHEMATICS

Introduce numbers 6 - 8.

Recognise and order numbers 0 - 8.

Count up to 8 objects accurately.

Writing numbers 0 - 8.

Use language more than and fewer to describe a set of objects.

Find 1 more than and 1 less than a number up to 8.

To be able to use language add and subtract.

To be able to record a number sentence for adding and subtracting.

To count on and back to find an answer using practical objects.

Understand '5 and a bit' using their fingers.

Count verbally from 0-10.

EXPRESSIVE ARTS AND DESIGN

ART:

Continue to explore texture, shape, form and space in 2D and 3D.

MUSIC:

Continuing to learn new songs and rhymes.

Learning about high and low.

Being able to explore the pulse of different songs and rhymes through different actions.

ROLE PLAY:

Use a variety of dressing up clothes to investigate a range of character roles.

DESIGN & TECHNOLOGY:

Continue to use a range of construction materials to make models.

Choose tools and how to use them.

Design a baby carry cot/Make a pair of ear muffs.

Consider different ways to join materials.
